

Camp White Pine

2012 AIR TRAVEL INFORMATION

CONTACT US BY MAY 10th TO CONFIRM TRAVEL ARRANGEMENTS

Flights

You have already been contacted with details regarding our suggested flights. If you have any questions regarding which flight to book, please contact Jen at the camp office.

- Be sure to book early to ensure you get a seat.
- DO NOT book flights that depart Toronto before 3:00pm as this creates difficulties in getting your child to the airport on time. Speak to us BEFORE booking any return flights that depart before this time.

Out of Town Campers Not Using Flights

If your child is planning on staying in Toronto before or after camp, and will be taking the camp bus or getting to camp another way, please let us know.

Changes in Itinerary

If you need to change your child's itinerary at any time during the summer, please inform us as soon as possible. You are responsible for making all arrangements for your child should they need to change flights or travel home another way.

Travel Documents

All campers taking flights must have the following with them:

1. Valid Passport
2. Printed Itinerary with return flight information
3. A signed letter from **both** parents giving permission for your child to travel to and from Camp White Pine, 1335 Camp White Pine Court, Haliburton, Ontario on their specific flights and travel dates.
4. The name, address and telephone number of the person picking them up the airport upon their arrival home.

Your child must give all travel documents (passport, itinerary, permission letter) to our staff when they arrive at the airport. We will keep these documents in the camp safe and return them to your child for their return flight.

Unaccompanied Minors

- Most airlines will require your child to use their Unaccompanied Minor service to allow them to fly alone. If so, please **pre-pay the fees for their return flight** (if possible) and send the receipt with them.
- Contact the camp at info@campwhitepine.com or 705-457-2131 within 2 days of your child's departure for camp and we will give you the name and phone number of the staff member picking your child up at the airport – you will need this information when you check them in for their flight.
- In order for us to return your child as an unaccompanied minor, we **MUST** have the name, address and telephone number of the person picking them up at the airport upon their arrival home.

Baggage

Luggage should accompany campers on flights. Remove extra stickers, tags, etc. and use one of our **Camp White Pine luggage tags** to ensure all luggage gets to camp.

Baggage Charges

Airlines have become much more strict about baggage allowances. As such, we ask parents to send enough money – either in the form of a pre-paid credit card or cash – to cover this expense. You should check with your airline regarding baggage allowances and fees.

Emergency Money

We suggest sending \$200 with your child, which we can keep in our camp safe, to cover baggage charges, unaccompanied minor fees and any unexpected travel costs. Money should be on a pre-paid credit card if possible.

Cellular Phones

You may wish to send a cell phone along with your child if they are traveling by air. If you do so, please be sure your child gives the phone to one of our staff members at the airport, along with their travel documents. We will keep the phone in our safe and give it back to them for their return flight. Cell phones are not allowed at camp, and will be confiscated if your child chooses not to surrender it to our staff.
