SPECIAL NEWS

TENNIS, ANYONE? Once again, our star tennis instructor, Girish Mishra from India, is returning to camp. He wants you! He wants to give private lessons on a regular basis (even more than in 2009). So, if you would like to receive private lessons, e-mail to adam@campwhitepine.com and we will sign you up!

PRE-WEE DAY: On Sunday, July 18, we will be having "PRE-WEE DAY". Campers age 6-9 will come to camp for an action-packed, one-day camp adventure. We look forward to welcoming these Pre-Wees to CWP. It will be an incredible experience. For more information, go to www.campwhitepine.com.

H.S.T. – Starting July 1, 2010, the new Harmonized Sales Tax will be in effect in Ontario. Thus, provincial taxes on camps will rise from 3% to 8%. Fortunately for this summer, all services rendered after July 1, but invoiced before April 30, will not be subject to the HST. To save parents the extra 5% tax, we have changed our final due date for camp fees by one day, from May 1 to April 30. Registrations or changes to registrations made after May 1 will be subject to the HST. Thus, if you are thinking of extending your child's stay at camp this summer, now is the time to save the additional 5% tax by checking if space is available.

WHAT'S NEW IN 2010

ROPES – Our brand new 70 foot giant tandem swing is the first one ever in Canada. This element will be a thrill for all campers **T.V. REC HALL –** The new TV Rec Hall is spectacular! It has huge windows, a high ceiling, and is beautiful. It will also have some special surprises that will help make the Training Village more special. **PRE-CIT GIRLS CABINS –** The two Pre-CIT girls cabins are brand new. These were the last two cabins in camp to be replaced. Now every camper cabin in camp is new! **FACEBOOK –** Be sure to check out our Facebook group, 875 members and growing! We'll be posting news and updates on all things White Pine over the winter and even some during the summer. We look forward to seeing you there!. **BROCHURE –** Brendan Turner and former CWP'er Josh Levitt have created a spectacular award-winning brochure for CWP. If you would like a copy, contact us. Or check it out on our Facebook group. **AIRBRUSHING? –** Roberto "Pottery" and Ashly "A&C" Lugo are master airbrushers. They are bringing their equipment to camp. So, bring up T-shirts and hats that you would like to airbrush. It will be a great new activity. Extra shirts are also great for tie-dyeing and silkscreening. **SWEATWEAR –** Our new line of

sweatwear for 2010 is online. Be sure to visit our website to see it all!
